

Physical Flow of 2009 National Fire Plan Grant Funds

USDA Forest Service pays:

- the California Fire Safe Council who pays
- the Yosemite/Sequoia Resource Conservation & Development Council who pays
- all independent contractors
- and
- reimburses YWPHI, if applicable.

YWPHI does not receive any grant funds and does not make payment for any grant expenses. The RC&D will reimburse YWPHI only if YWPHI pays for a grant-related expense, which may or may not occur.
