

Yosemite West Property & Homeowners, Inc.

Welcome to Yosemite West

Dear Neighbor,

Congratulations on owning property on the very border of Yosemite National Park, with ready access to one of the greatest recreational resources in the world! You are also now part of an active local community with a strong tradition of neighbor helping neighbor and of neighbors gathering together to work on issues that affect us all.

The Yosemite West Property & Homeowners Association, Inc. (YWPHI) works for you to foster a stronger and safer community. While membership in the community homeowners' association is voluntary, we encourage all property owners to join. Our membership dues have helped YWPHI support projects that benefit all property owners:

ADDRESSING FIRE SAFETY

- applying for and receiving more than \$56,000 in federal grant awards to build a shaded fuel break and promote fire safety in our community
- installing fire hose boxes around the neighborhood to make sure that fire hoses and equipment are readily available in an emergency
- hiring a chipper crew each spring to help reduce fuel loads and fire danger in Yosemite West
- promoting fire safety awareness through online and print articles and information packets for property owners

INFORMING THE COMMUNITY OF CURRENT NEWS & EVENTS

- publishing and distributing the community newsletter *In the West*
- maintaining and updating of the YWPHI website www.YosemiteWest.org

AROUND THE NEIGHBORHOOD

- installing a new map and information station
- repairing the community mailbox shelter

PROMOTING COMMUNITY SPIRIT

- organizing community picnics and informative gatherings where representatives from the National Park Service, U.S. Forest Service, and related agencies and organizations address the community on important issues for our future
- throwing the great annual Holiday Open House party

Annual membership is only \$25 and 100% of your dues stay in the community and work for you to make Yosemite West a better and safer community. Please take a minute to join YWPHI.

Thank you for your support!
