Dear Property Owner:

The National Park Service administers a vehicle sticker program to facilitate access to private property located within the boundaries of Yosemite National Park. Landowner stickers are on a five-year cycle, which ended December 31, 2019. New stickers will be valid from January 2020 through December 2024. You are receiving this letter because it is time to renew your fee exemption stickers.

The sticker program assists entrance station rangers in quickly identifying individuals who are exempt from entrance fees, thus expediting your access to your property.

Expired stickers will be honored through April 15, 2020, enabling people who qualify for a sticker time to acquire a new one. Guests or family members visiting private property within Yosemite National Park, but who do not qualify for a vehicle sticker, are issued temporary gate passes at the entrance gate instead.

A vehicle sticker will be issued to property owners, trustees, and immediate family members. To receive new sticker(s), please email [yose\\_vehicle\\_stickers@nps.gov](mailto:yose_vehicle_stickers@nps.gov) with the following:

- Current vehicle registration(s).
- Phone number, current mailing address, and property address.
- Deed—this is only necessary if you are requesting stickers for multiple family members; county records only list the primary owner.
- If applicable, please explain the relationships of the family members to the primary property owner.

While email is preferred, we will also accept submissions through the mail at the following address: Fee Management Office, PO Box 577, Yosemite CA 95389.

If you have any questions, please email [yose\\_vehicle\\_stickers@nps.gov](mailto:yose_vehicle_stickers@nps.gov) or call Parker Davis, Deputy Fee Manager, at 209-372-0406.

Thank you for your time. We look forward to assisting you and your fellow landowners.

Sincerely,

Cicely Muldoon  
Acting Superintendent
